

## ***The Cross of Christ***

Purpose of this study is to explore what really happened on the Cross and how it should impact our hearts.

### **Mark 10:42-45**

- Jesus did not come to be served but to serve...and how far was he willing to take that?
- He gave his life as a ransom to buy us back.

### **Matthew 26:31ff –**

- The Gospels give us the details of that death he died for us.
- Good to examine this carefully

### **Romans 5:6-11**

- We were powerless to overcome our problem (remember week 2--- sin)
- Because of our sin, we were living like God's enemies
- Christ died for us while we were enemies. How does that affect you?

### **Isaiah 53 –**

- Who would not want to give up everything to follow a King like this?
- Personalize by substituting I and me for we and us when you read it.

### **Other Scriptures to study this week**

- Galatians 3:13
- Hebrews 9:22
- Rom 3:23
